# INTRODUCTION

اصنع في الإمارات  
**MAKE IT**  
IN THE EMIRATES

بِنظْمٍ أَقْوَى  
**EMERGING**  
**STRONGER**

Marking its fifth anniversary, Make it in the Emirates 2026 accelerates localization, innovation, and industrial resilience, strengthening the UAE's position as a global leader in advanced manufacturing. By fostering collaborations and mobilizing investment, the platform ensures the UAE's industrial base continues to emerge stronger, advancing national economic security and long-term growth.

Aligned with the UAE's industrial strategy, the event convenes manufacturers, investors, innovators, policymakers and anchor buyers to forge powerful partnerships, mobilise capital, activate partnerships, and turbocharge industrial growth at scale.

Building on a legacy of success, Make it in the Emirates is where advanced technology, national ambition, and execution converge. The platform plays a pivotal role in strengthening local manufacturing, deepening industrial value chains, and empowering companies of all sizes to manufacture, scale, and export from the UAE, showcasing the nation as a global manufacturing powerhouse.

With clear demand signals, structured procurement pathways, and bankable investment opportunities, the platform turns innovation into production, and production into sustained economic value.

As a secure and dynamic investment hub, the UAE provides the resilience, infrastructure, talent, and market access required to compete on a global stage, offering businesses the confidence to commit, invest, and scale.

Make it in the Emirates 2026 is a live advanced-manufacturing execution platform, where Industry 4.0 and AI move from concept to deployment through real-world demonstrations, curated sector programming, and structured buyer and government engagement, all hosted at a world-class venue, with unmatched operational excellence.

# 2026 EXPERIENCE AND FEATURES

# HOUSE OF INDUSTRY

House of Industry will bring the UAE's industrial journey to life, showcasing landmark achievements, national champions, and future ambitions. Through immersive storytelling and interactive displays, visitors gain a clear view of how industry is shaping economic growth, resilience, and opportunity across the country.

## FEATURES:

Immersive storytelling and interactive displays

Milestones of UAE industrialization

Pioneering products and innovations

# THE INTELLIGENCE HUB

The Make it in the Emirates Intelligence Hub is a premium, invitation-led platform curated to connect advanced technologies with senior partners, policymakers, and decision-makers shaping the future of industrial growth.

Strategically positioned along the Make it in the Emirates VIP route, the Hub convenes leading national and international innovators to present future-ready solutions that enhance industrial productivity, competitiveness, and long-term resilience across priority sectors.

Designed as a narrative-led and immersive environment, the Intelligence Hub showcases technologies that are commercially viable, industrially scalable, and strategically aligned with the UAE's long-term economic and industrial vision. Rather than focusing on volume or visibility alone, the Hub prioritises relevance, credibility, and strategic fit.

The Intelligence Hub offers partners a unique opportunity to engage in trusted, high-value partnerships within a stable, transparent, and pro-investment ecosystem, reinforcing Make it in the Emirates's role as a global convening platform for industrial collaboration and value creation.

## FEATURES:

Robotics and autonomous systems

AI Solutions for industry

Demonstrations of next-gen industrial tech

Displays from UAE & international exhibitors

# INDUSTRY NEXTGEN HUB

The Start-up Hub is a launchpad for emerging industrial innovators. It connects founders with investors, partners, and policymakers, spotlighting scalable ideas and real-world solutions. The hub supports growth, collaboration, and access to opportunities within the UAE's fast-evolving industrial ecosystem. A powerful space dedicated to empowering the UAE's next generation of makers.

## FEATURES:

SME matchmaking & B2B meetings

Pitch stages

Access to financing partners & incentives programmes

Practical workshops & advisory sessions

Information on integrating into national supply chains

# THE QUALITY HUB

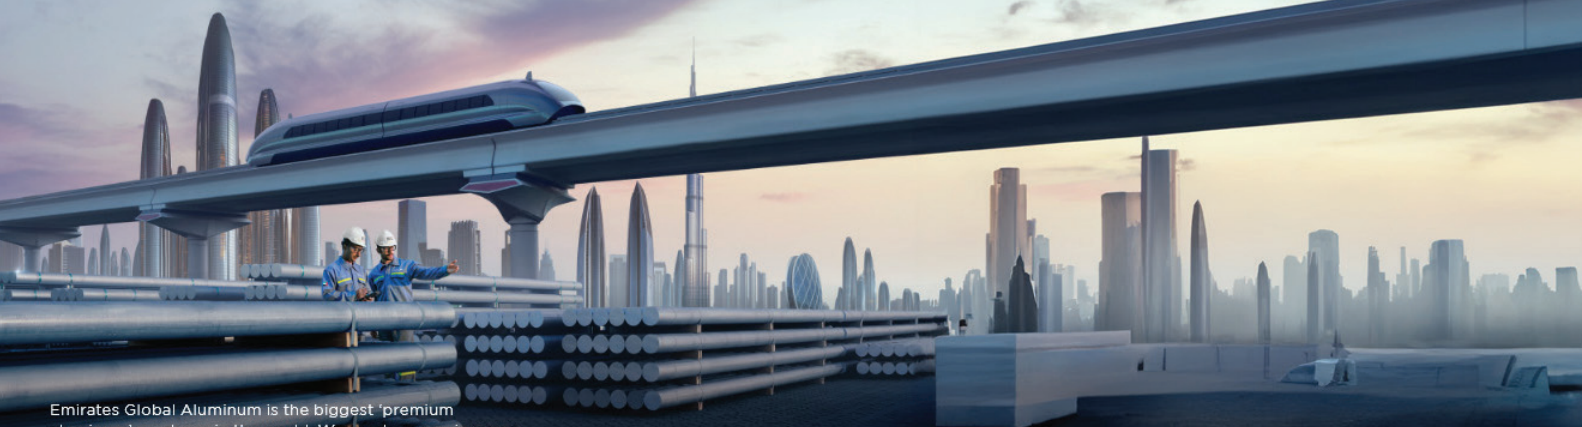

The Quality Hub highlights the standards, systems, and certifications that underpin trust in UAE-made products. It showcases best practice in quality, compliance, and performance, helping manufacturers and investors understand how quality enables global competitiveness, export readiness, and long-term value. A dedicated zone for world class standards, certification and product excellence.

## FEATURES:

A specialized zone connecting investors and manufacturers with the UAE's world-class quality infrastructure. From accreditation, certification and standards to conformity and metrology, the Hub streamlines your pathway to global market readiness.

Together, innovating aluminium to make modern life possible

Emirates Global Aluminum is the biggest 'premium aluminum' producer in the world. We produce one in every 25 tonnes of aluminum made worldwide. Our metal becomes part of everything from smartphones to skyscrapers, making modern life possible for people everywhere.

# PROGRAM OVERVIEW

# DAY 1 | MAY 4, 2026

## INDUSTRIAL SOVEREIGNTY IN A STRATEGICALLY CONNECTED WORLD

Day 1 reinforces the UAE's focus on strengthening industrial resilience through a stable, innovation-led ecosystem, guided by a clear strategic vision that supports long-term opportunity creation amid global disruption. The day highlights how a can-do culture rooted in people, collaboration, and global partnerships enables industries and businesses to adapt, safeguard supply chains, and drive resilient, future-ready growth.

- › The UAE's value proposition as a stable, long-term destination for confident investment
- › Industrial policy, infrastructure, and resilience in a shifting geopolitical landscape
- › Culture, people, youth, and national identity as drivers of sustainable growth
- › Strategic partnerships and global industrial alliances as key enablers of open trade
- › Balancing supply chain resilience with openness to trade and collaboration
- › Advanced technologies as enablers of future-ready industry
- › Translating ambition into impact through real investor and industry success stories

## WHAT DOES ECONOMIC GROWTH ACTUALLY LOOK LIKE?

The numbers tell the story of our success, but our videos show you the people who made it happen. Watch exclusive interviews, behind-the-scenes documentaries, and live conversations with the builders of the UAE's economy.

ADNEC CENTRE, ABU DHABI

# DAY 2 | MAY 5, 2026

## THE IN COUNTRY VALUE (ICV) OPPORTUNITY: CREATING LONG TERM VALUE

Day 2 focuses on the UAE's National In-Country Value programme and its role in translating opportunities into measurable business outcomes. Through targeted panels, practical workshops, success stories, and direct engagement with offtakers, participants gain insight into how ICV strengthens supply chains, expands market access, and enhances competitiveness.

The programme highlights localization in action, SME growth, talent development, advanced manufacturing, and cross-sector collaboration, demonstrating how public-private partnerships are key ecosystem enablers. The day will also feature the Make it in the Emirates Awards, recognizing industrial excellence across manufacturing and advanced technology.

- › National In-Country Value as a driver of competitiveness and supply chain resilience
- › Localization strategies across manufacturing and services
- › SME growth, capability building, and market access
- › Improving ICV scores through procurement, talent, and operational optimization
- › Industrial zones, clusters, and plug-and-play infrastructure
- › Talent development and building a globally competitive Emirati workforce
- › CEPA success stories and future pathways for trade and industrial collaboration
- › Recognizing industrial excellence through the Make it in the Emirates Awards

# DAY 3 | MAY 6, 2026

## DRIVING THE FUTURE OF UAE MANUFACTURING

Day 3 showcases how AI, robotics, smart mobility, and autonomous systems are accelerating industrial performance across the UAE. Through focused panels, hands-on workshops, and live innovation showcases, participants explore real-world applications, cross-sector collaboration, and talent upskilling, demonstrating how advanced technology is driving speed, resilience, and global competitiveness in next-generation industrial production.

- › AI, robotics, and autonomous systems in industrial operations
- › Scaling advanced manufacturing technologies beyond pilot projects
- › Smart factories and the hidden infrastructure enabling intelligent production
- › Industry 4.0 to human-centric Industry 5.0 transformation
- › Public-private collaboration and responsible data sharing
- › Technology investment opportunities across national priority sectors
- › Workforce transformation and future skills for intelligent industry

# DAY 4 | MAY 7, 2026

## IMPACT: YOUTH, INNOVATION AND GLOBAL PARTNERSHIPS FOR THE NEXT-GEN INDUSTRY

Day 4 explores how strategic partnerships, financing solutions, and youth-focused initiatives are unlocking the UAE's industrial potential. Participants discover how SMEs gain access to capital, innovation is scaled, research is turned into economic value, and the next generation of talent is empowered to drive a resilient, globally competitive industrial ecosystem.

- › Regional and global industrial partnerships for sustainable economic development
- › Financing models aligned with the UAE's industrial growth roadmap
- › SME access to finance, risk-sharing, and credit support mechanisms
- › Turning applied research into economic and industrial value
- › Youth entrepreneurship, innovation, and future industrial leadership
- › The changing nature of jobs in automation and robotics
- › Creativity, design, and technology in modern manufacturing
- › Emerging AI roles beyond traditional technology careers
- › Building products in the UAE for global markets

# PROGRESS WITHOUT PAUSE

Shape the future of industry  
with ADIO at Make it  
in the Emirates 2026

**stand A-13 | ATRIUM**

As proud co-hosts of the fifth and largest edition of Make it in the Emirates, the Abu Dhabi Investment Office (ADIO) invites you to discover an ecosystem built to turn ambitious strategies into reality.

We empower industries to pioneer advancements and lead with confidence, providing a clear pathway from opportunity to industrial execution. Join us to see how your ambition can become a legacy of industrial success.

## Highlights of ADIO at MIITE:

Activity	Description
Strategic Partnership Signings	Witness live partnership announcements and MoU signings set to accelerate growth across the automotive, energy and finance sectors.
Senior-Level Industry Panel Discussions	Join ADIO's leadership and strategic partners in high-level discussions exploring the future of industry, scaling technology adoption and mapping out localisation pathways in the UAE.
Cluster-Focused Showcases	Discover high-growth investment opportunities in the UAE's priority sectors and see real-world success stories.
Interactive Digital Walkthroughs	Explore Abu Dhabi's comprehensive suite of industrial support programs, including infrastructure and institutional support.
Centralised Connections Hub	Connect with investors, partners and international delegations in targeted meetings to explore investment opportunities in Abu Dhabi.

**Visit us at stand A-13 in the ATRIUM to discover how you can partner with Abu Dhabi to make a lasting global impact.**

# CONGRATULATIONS

# MIITE AWARDS

# MIITE AWARDS

The Make it in the Emirates Awards is one of MoIAT's key initiatives, recognising excellence and innovation in the industrial sector. It celebrates the pioneers, visionaries, and game-changers that are shaping the future of industry in the UAE and beyond.

The awards support the UAE's transformation to becoming a global hub for manufacturing and innovation.

› A national platform that recognises leading manufacturers and strengthens ecosystem collaboration connecting industry, investors, enablers, and innovation partners

› Inspires manufacturers by showcasing UAE industrial champions locally and globally.

Acts as the annual national barometer for industrial excellence, Industrial growth, Industry 4.0 adoption, quality and youth.

**TECH FRONTIER AWARD**  
Advanced Technology & Industry 4.0

**QUALITY & COMPLIANCE AWARD**  
Standards & Quality

**NATIONAL INDUSTRY GROWTH AWARD**  
Industrial Growth, Enablement & National Value Creation

**NEXT-GENERATION INDUSTRIAL LEADER AWARD**  
Young Professionals between 19 and 35

**INSPIRATIONAL INDUSTRIAL LEADER AWARD**  
Senior Industrial Leaders and Decision Makers

**UAE TRADITIONAL CRAFT AWARD**  
Handicrafts

## INTRODUCING THE BUSINESS RESILIENCE PACKAGE

**Cash flow flexibility**  
with payment deferrals

**Comprehensive financing**  
support with interest  
rate reduction

**Cost relief** through  
discounts and fee waivers
